

# UNIVERSITY OBSERVES TENTH ANNIVERSARY TODAY

## SENATE CHANGES NAME OF NHC TO UNIVERSITY OF NH

### STUDENTS GIVE HETZEL OVATION

Students Convey President  
to Home in "Tom-Thumb"  
Chariot—Celebration  
Over Change

May 4, 1923—On Wednesday, the Senate unanimously passed the bill which it received from the House of Representatives changing the name of the institution to The University of New Hampshire. The act is to take effect July 1 of this year.

President Hetzel received a great ovation when he stepped off the train in returning from Concord where he used his influence to get the act changing the institution's name through the senate and the governor's promise of signature that it might be announced to the student body on New Hampshire Day. The entire student body was at the station awaiting his arrival and as he left the train he was greeted with cheers and led to his "chariot," the Tom-Thumb coach which was recently presented to the college, and with two seniors in the shafts, was drawn to his residence.

From the porch of his residence, President Hetzel spoke briefly on the legislative action, disclaiming any credit for the act's passage and declaring that he believed the step of the legislature to have come because it was thought the students of the institution deserved it.

The appropriation as granted is \$51,000 less than was requested for maintenance alone. The amounts asked for the new class room building and the addition to the Commons were refused. For the Commons' addition, \$90,490 was asked and \$158,400 for the class room building. Both requests were turned down by the House of Representatives. The Senate attempted to provide for buildings by offering as a compromise an amendment to the budget bill the raising of \$91,000 through a bond issue, but the proposal was voted down by the house after a lively debate.

A bill was passed by the House of Representatives of the state legislature, through which the "New Hampshire College of Agriculture and Mechanic Arts" shall become the "University of New Hampshire." The bill passed the house unanimously and there is every reason to believe that no opposition to the act will be met in the Senate, where it now awaits action.

"House Bill No. 385," as passed by the House of Representatives follows: "Be it Enacted by the Senate and House of Representatives in General Court convened:

Section 1. That a university is hereby established incorporated and a body politic and corporate, by the name of the University of New Hampshire, the object of which shall be to teach such branches of learning and to prosecute such researches as may be necessary and desirable in the education of youth and the advancement and development of the arts, the sciences and the industries, and of such nature, scope, and standard as usually prevail in the tax supported universities of the several States, and is authorized to grant and confer in the name of the University of New Hampshire all such degrees, literary titles, honors and distinctions as other such universities may of right do, and the

### STUDENT COUNCIL ASSUMES DEFICIT

Will Manage Fall Informal  
Dances in Order to  
Meet Debt of  
Last Year

The newly elected Student Council at its first meeting on Monday evening agreed to assume the deficit of the past council and balance the budget by again managing the informal dances.

President Caminati opened the meeting with a short address on the policy of the new Student Council. It was decided that under no conditions would the organization strive to leave a profit, but would rather attempt to spend all income for the benefit of the students of the University. The question of the budget for the coming year was postponed until further information concerning the deficit could be obtained, and it was intimated that the council will remain strictly within its financial limits.

It was unanimously agreed that the election of the remaining officers of the Student Council be postponed until the next meeting. Although the Sphinx, junior society, has filed a petition to sponsor the fall informal dances, the Student Council decided to manage the dances under a revamped policy in order to balance last year's deficit.

Concerning the proposed blanket-tax, President Caminati appointed a committee to investigate the progress of the tax. The members of the committee are: chairman, Harry B. McLaughlin, Walter Calderwood, and Arnold Rhodes. Following the appointment of this committee the meeting was adjourned upon a motion by Hollister Sturges.

### AL MITCHEL PLAYS FOR 150 COUPLES

About 150 couples attended the annual Sophomore Hop, which was held Friday, April 28, in the men's gymnasium from 8-12, with Al Mitchel and his orchestra furnishing the music.

Dean and Mrs. Norman Alexander, Dr. and Mrs. Chapman, Miss Elvira Serafini, and Walter Calderwood, Jr., were in the receiving line.

Ice cream served in individual boxes and designed with a blue '35 was sold, while the punch was served free. The gymnasium was decorated with balloons, banners, and miles of non-inflammable serpentine confetti.

### CAMPUS CALENDAR

Friday, May 5  
Prize speaking contest 2 P. M.-10 P. M., Murkland Auditorium.

Saturday, May 6  
Annual interscholastic track and field meet.

Baseball, varsity vs. Lowell Textile—Brackett Field.

Wednesday, May 10  
Concert, men's gymnasium, by University Glee clubs and orchestra at 8:15 P. M.

DeMolay meeting in Commons Organization Room at 7 P. M.

Lacrosse, Varsity vs. Boston University—Memorial Field.

Celebration upon return of President Hetzel from Legislature on May 4, 1923

### DEMOLAY CLUB ORGANIZED HERE

Marshall, Shannon, Badger  
and Abbot Selected to  
Draw Up Constitution  
—Officers Elected

Through the efforts of Rae Laraba and Paul Blaisdell of Concord, a DeMolay club was organized on campus Wednesday, April 26.

Warren Marshall, Phillip Shannon, Neal Badger, and Ralph Abbot were chosen to draw up the constitution. The following officers were elected: President, William Weir, Melrose Highlands, Mass.; Vice-President, Neal Badger, Concord; Secretary, Delmar Goodwin, Concord. The meeting was held at 7:30 in the Commons organization room. About fifty members were present. The advisors are E. L. Getchell and Oren V. Henderson. Decision has been made to hold meetings on the second and fourth Wednesdays of the month. The next meeting will be on May 10. All DeMolays and former DeMolays are urged to attend.

### OUTING CLUB MEN ATTEND CONVENTION

Hollister Sturges, Jr., and Lewis Crowell, both of the class of '34, attended the session of New England University and College Outing Clubs held Saturday at the Yale Engineering camp in New London, Conn.

As delegates to the convention from the University they conferred with delegations from the University of Maine, Bates, Dartmouth, Yale, Smith, Vassar, Massachusetts State, Skidmore, Williams, and Swarthmore College.

T. L. Page, president of the Yale University, conducted the conference while Seymour Dunn, executive secretary of the Intercollegiate Outing Association had charge of the meetings.

Nine conferences on the following subjects pertaining to outing club work were held: Winter Sports chairman, Hollister Sturges, Jr.; Trips, Organization, Publicity, Equipment, Cabins, College Support of Outing Clubs and Trails.

Miss Jean Miller of Smith College was the Women's College representative. Members of the various outing clubs enjoyed swimming, hiking, and illustrated lectures on outing clubs.

Sturges and Crowell received from the various conferences valuable material for improving the University Outing Club.

### Eleven Pledged to Honorary Society

Friday, May 10, Phi Kappa Phi, the national scholarship honor fraternity, will initiate eleven men and women.

Each year in the fall and spring terms, Phi Kappa Phi bids the seniors who rank in the upper ten per cent. of their class in each college. During the fall term this year twenty were bid and initiated. This term the following eleven have been asked to join: Mary A. Tingley, Amherst; Clarence L. Ahlgren, Manchester; Frank E. Szebak, Nashua; Charles R. Dawson, Claremont; Ernest A. Boulay, Concord; George B. Abbe, North Guilford, Conn.; Margaret L. Cram, Hampton; Charlotte L. Hunkins, Auburn; Alice M. Rowe, Exeter; Eva S. Wentzell, Worcester, Mass.; Ruth Hibbard, Lebanon.

### DETZER STRESSES PEACE PROBLEMS

Organization Only Way in  
Which Disarmament Can  
Be Successfully  
Brought About

"The only way a move can be made by the United States toward disarmament and world peace is through the organization of the people," stated Miss Dorothy Detzer at a meeting of faculty and students last Thursday night in the Commons.

Miss Detzer from Washington, D. C., represented the League for Peace and Freedom of which Jane Addams is president. In a recent article in Harper's Magazine, Marcus Duffield said of this league, "Timidity is not in its complete and total disarmament is its demand." Mr. Duffield also says of Miss Detzer, "When its (League for Peace and Freedom) attractive young lobbyist, Miss Dorothy Detzer, appears at a Congressional hearing the big navyites wince."

Miss Detzer started in by showing how by taking care of the production of everything man needs, man has opened up a new problem, that if distribution of these products. Linked with this problem in the future are those of peace or war, prosperity or failure and she believes that only by the solution of the former can the others be solved. That something is wrong with this matter of distribution is definitely shown when we notice that in one recent year the world saw a 30% increase in production and only an 11% increase in population. Secretary of State Stimson pointed out that within the last four years one half all countries have had revolutions. This means that in one half the countries of the world "enough people to carry on a revolution no longer had anything to lose by violence."

Miss Agnes Ryan was in charge of the meeting which was the fourth Miss Detzer had attended in New Hampshire, having spoken in both Manchester and Concord on the preceding day and in Dover Thursday afternoon.

### HALL CHOSEN PRES. BLUE KEY SOCIETY

Howard J. Hall, of Franklin, was elected president of the Blue Key, honorary senior society, at their last meeting. Donald J. Brunel, of Concord, was elected vice-president. The secretary-treasurer for the coming year is Theodore A. Nowak of Exeter.

Howard Hall takes the place of Joseph P. Tool of Durham, who has been president of the society during the past school year. He is a member of Phi Mu Delta social fraternity, president of the International Relations Committee, and a member of Sphinx. Don Brunel is president of Lambda Chi Alpha fraternity, a Sphinx member, and is active in other campus affairs. Ted Nowak is president of the Athletic Association, captain of the hockey team during the past season, and a member of the Theta Kappa Phi fraternity.

### NOTICE

The Y. W. C. A. will hold a hot dog roast Monday evening, May 8, at five o'clock at the cabin in college woods. Admission twenty-five cents. Sign up at Thompson Hall or call Miss Aspinwall.

### CARR KILLED ON TURNPIKE

Student Dies from Injuries  
Received When Thrown  
from Motorcycle as  
It Strikes Tree

Earle Eames Carr, '35, pledge of Theta Upsilon Omega fraternity died as the result of injuries received when the motorcycle on which he and his roommate, Harry West were riding left the junction of the Amesbury and Newburyport turnpike and struck a tree.

Carr and West were returning to Durham and failing to make a curve on the turnpike, their motorcycle left the highway and struck an oak tree. Carr, driving the motorcycle, was pinned beneath the wreckage as the motorcycle catapulted. West, riding on the rear seat, was thrown a distance of 65 feet. Both were taken to the Anna Jacques hospital in Newburyport where Carr died ten minutes after arrival. West suffered multiple cuts and bruises of the scalp and knees but an X-ray taken later revealed no fractures or brain concussion. West's condition at present is very much improved and he is resting comfortably.

Carr is the son of Mr. and Mrs. James A. Carr, 325 Church street, Berlin, New Hampshire. He was born August 10, 1914 in Berlin and received his early education in the Berlin Public schools and was graduated from the Berlin High school in 1931. As a member of Berlin High school he was active in debating and a good scholar having an I. Q. far above the class median. He was enrolled at the University as a Pre-Medical student.

Funeral services were held in Berlin this morning at nine o'clock. Dean and Mrs. Alexander, Mrs. Cobb, matron of Hetzel hall and a delegation of six members from Theta Upsilon Omega fraternity attended the services. Floral tributes were sent from the Zoology class of which Earle was a member and from Hetzel and Theta Upsilon Omega.

### SPRING CONCERT AT GYM WED., MAY 10

Annual Spring Concert will be given by the University Glee Clubs and Orchestra on Wednesday, May 10, at eight fifteen P. M., in the Men's Gymnasium.

The program is to be of a varied type, including numbers by the string orchestra, the men's and women's glee clubs combined, the orchestra complete, and the individual clubs. The concert will be directed by Robert W. Manton, head of the music department of the University. The program is as follows:

Fest March (Tannhauser) by Richard Wagner; two Elizabethan Madrigals: The Silver Swan and Now is the Month of Maying; Valse Triste (Kuclema) by Jean Sibelius; Covered Wagon Sketches, for pianoforte; By the Campfire, Night on the Prairie; The Pony Express, On the Overland Trail, all by Robert W. Manton; Brigg Fair, a Lincolnshire Folk-song, arranged by Percy Grainger; My Bonnie Lass (Madrigal) by Thomas Morley; an Intermezzo and Jig by Gustave Holst; Nuns of the Perpetual Adoration, for women's voices, by Edward B. Hill; Barcarolle by Ludwig Schytte; two choruses, for men's voices Op. 20: A June Night in Washington and The Full Sea Rolls and Thunders, both by Robert W. Manton; J'entends le Moulin, a French-Canadian folk-song; and Espana Rhapsody by Emmanuel Chabrier.

The admission will be free.

## COLLEGE DEANS COMMEND UNH ON DECADE'S WORK

### INTERSCHOLASTIC TRACK MEET TO BE HELD HERE

Preparatory Schools of  
New Hampshire and  
Other States to  
Compete

### SIX MORE STATE TEAMS REPRESENTED

Events Start at Eight-  
Thirty Saturday  
Morning

by Ralph Wiggin

Memorial Field will be the scene of New Hampshire's twenty-first interscholastic track and field meet Saturday. As in previous years teams will be divided into four classes: in-state high schools, in-state prep schools, out-state high schools, and out-state preparatory schools. Competition starts at eight-thirty in the morning.

Most of the teams which competed last year will be here again, with a few new teams replacing those not returning. Six more teams will be represented this year in the in-state high schools while the number of teams competing in the out-state preparatory class has dropped off.

The order of events is as follows:

Morning Events—Field Events  
8:30—Pole vault, state schools; high jump, out-state schools; shot put, all classes; javelin throw, state schools; broad jump, out-state schools.

10:00—Pole vault, out-state schools; high jump, state schools; broad jump, state schools; discus throw, all classes; javelin throw, out-state schools.

All events above are finals.

Track Events

8:30—120 yd. high hurdles, heats and semi-finals, out-state high schools. 8:40—120 yd. high hurdles, heats and semi-finals, out-state preparatory schools.

8:50—120 yd. high hurdles, heats and semi-finals, state high schools.

9:00—120 yd. high hurdles, heats and semi-finals, state preparatory schools.

9:10—100 yd. dash, heats and semi-finals, out-state high schools. 9:20—100 yd. dash, heats and semi-finals, out-state preparatory schools.

9:30—100 yd. dash, heats and semi-finals, state high schools. 9:40—100 yd. dash, heats and semi-finals, state preparatory schools.

9:50—220 yd. low hurdles, heats and semi-finals, out-state high schools. 10:00—220 yd. low hurdles, heats and semi-finals, out-state preparatory schools.

10:10—220 yd. low hurdles, heats and semi-finals, state high schools. 10:20—220 yd. low hurdles, heats and semi-finals, state preparatory schools.

10:30—220 yd. dash, heats and semi-finals, out-state high schools. 10:40—220 yd. dash, heats and semi-finals, out-state preparatory schools.

10:50—220 yd. dash, heats and semi-finals, state high schools. 11:00—220 yd. dash, heats and semi-finals, state preparatory schools.

All other heats, semi-finals and finals will be run off in the afternoon.

(Continued on Page 4)

### GIVE REASONS FOR PROGRESS

Noticeable Improvement in  
Scholarship Standing—  
Millage Tax Helps Uni-  
versity Projects

by Enoch Shenton

After a decade of organization as a University, New Hampshire looks back on ten years of marked progress in the field of academic achievement.

Every department in the University has experienced a change and reorganization and there have been additions both in equipment and personnel. Private gifts and bequests, as well as legislative appropriations have permitted a considerable building program while the millage tax has increased the steady revenue of the University.

As to the general advantages and improvements incident to the change from the name of the New Hampshire College of Agriculture and Mechanic Arts to the University of New Hampshire, Dean Pettie made the remark that "there has been a continuous growth in the University, which although not wholly dependent upon the change, has been largely influenced by it. It has greatly strengthened the Colleges of Technology and Agriculture to join them with the larger University."

The College of Technology has been the scene of great change during these last ten years, not only in personnel and curricula arrangements, but in classroom and laboratory facilities. The buildings added to the original Technology group of DeMeritt, Shops, and Conant include Charles James Hall, the old power house and the new power plant. New departments which have been added are the Civil Engineering courses and the Engineering Extension work.

A real advantage which the Technology students derive from the changed name of the institution is that they have the prestige of graduating from a University and are not under the doubtful title of being graduated from a College of Agriculture and Mechanic Arts.

The College of Agriculture has witnessed a very marked material growth, according to Dean F. W. Taylor. The buildings, barns, and the hot-house facilities have been much improved over the conditions which existed a decade ago. The College of Agriculture has profited by the change in name of this institution in that the activities have been extended over the whole state, and the graduates are favored as being from a University.

The College of Liberal Arts has expanded with a phenomenal growth since its incorporation into the University in 1923. It was forced by an ever increasing enrollment of students, to increase its curricula offerings, instructional facilities, and classroom space. However, Dean Jackson makes the following statement, "During the past two or three years the trend has been for the college of Liberal Arts to consolidate many of the subjects found in its program of study and pursue a conservative course, feeling that the period of expansion had ended and that a reorganization along conservative lines was desirable."

The advantages to the merchants and townspeople of the old college's expansion after becoming a University

## PRESIDENT'S STATEMENT

The change from College to University, authorized and made effective by the Legislature ten years ago today, did not bring with it any tremendous change in the objectives of the institution. The organization of the institution was altered but slightly in the transition, for previous to the change there were, with few and minor exceptions, all the component parts which we know today. Perhaps the greatest good which accrued to the institution from the change in nomenclature was the broadening of the fields of endeavor and service open to her graduates. It had been difficult for graduates in engineering and the arts and sciences, possessing degrees from a college of agriculture and the mechanic arts, to secure satisfactory vocational opportunities in the world after college. Although they were well prepared, the limitation suggested by the name of their Alma Mater was often a barrier to success in business, professional and scientific life. The parent institution, the New Hampshire College of Agriculture and the Mechanic Arts, made by the act of incorporation a constituent part of the new University, was greatly strengthened and her graduates and students deservedly accorded wider recognition. The change in name was in absolute harmony with the chief objective of the institution which is to insure to the young people of New Hampshire better opportunities for useful and happy lives.

EDWARD M. LEWIS.

## NEW STUDENT COUNCIL

It is our opinion that recent Student Councils have been managed in a slipshod manner with an eye to private gain by some few of the individuals. There was some reason for gratification, therefore, when the various members of the newly-elected council declared in no uncertain terms at the last meeting that the Student Council is the representative body of the students and should manage everything with the benefit of the student body in mind.

The manner in which the deficit was adopted by the new council was extremely gratifying. Legally, perhaps, there was no other course, but it was certainly encouraging to notice the business-like attitude in which it was done. Moreover it was quite apparent that the members of the council had the interests of the students in mind, rather than personal benefit.

The new council has started the year with an admirable attitude, and there is every reason to believe that it will continue in this course. We extend to the Student Council our sincere wishes for a successful term of office, serving the student body.

## EARL CARR

A splendid personality has passed from our midst in the person of Earl Carr, sophomore of this University. A man who had planned upon devoting his entire life to serving others in the medical profession has been suddenly removed from our campus by an accident. The loss of Earl Carr is a loss to the University and a distinct loss to the students of New Hampshire. Earl made many friends. We know how utterly futile must any words of ours be in an effort to alleviate the sorrow of his parents, relatives and many friends. With the knowledge that Earl will be deeply missed by us all, we extend our most deepest sympathy to his parents and friends.

## Senate Changes Name of N. H. C to U. N. H.

(Continued from Page 1)

trustees of said University are further authorized to define and prescribe the standard, scope and nature of the instruction and attainments necessary in order to qualify for such degrees, titles, honors, and distinctions, and to issue such bulletins, announcements and reports in the name of the University of New Hampshire as may be found necessary or desirable in publishing and defining the standard, scope, quality, and nature of the educational work of the corporation.

Section 2. The persons now constituting the Board of Trustees of the New Hampshire College of Agriculture and the Mechanic Arts are hereby authorized to carry on the work of the College in connection with and as a part of the work of the University, in such manner as to be consistent with the provision of an act of Congress approved July 2, 1862, entitled, 'An Act donating public lands to the several States and Territories, which may provide Colleges for the benefit of Agriculture and the Mechanic Arts,' and the supplements to and amendments of said act, and with the terms of the bequest made to the State of New Hampshire by the late Benjamin Thompson of Durham and of other gifts made to the College or to the State for the benefit of the College, and with the continuance of the separate corporate existence of the College under the several acts of the Legislature heretofore enacted for the purpose herein set forth.

Section 3. The trustees of the New Hampshire College of Agriculture and the Mechanic Arts are hereby authorized to carry on the work of the College in connection with and as a part of the work of the University, in such manner as to be consistent with the provision of an act of Congress approved July 2, 1862, entitled, 'An Act donating public lands to the several States and Territories, which may provide Colleges for the benefit of Agriculture and the Mechanic Arts,' and the supplements to and amendments of said act, and with the terms of the bequest made to the State of New Hampshire by the late Benjamin Thompson of Durham and of other gifts made to the College or to the State for the benefit of the College, and with the continuance of the separate corporate existence of the College under the several acts of the Legislature heretofore enacted for the purpose herein set forth.

Section 4. The University of New Hampshire shall also include a College of Technology or Engineering and a College of Arts and Science, and such schools, departments and divisions as are consistent with such organization, and such other Colleges, schools, departments or divisions as the Legislature may authorize.

Section 5. The Trustees of the College shall continue to have the management and control of its property and affairs and as ex-officio Trustees of the University shall have the entire management and control of its property and affairs, including the power to accept legacies and other gifts to or for the benefit of the University, and the employment of teachers and such other persons as may be necessary to carry out the purposes for which the University is created.

Section 6. This act shall take effect July 1, 1933.

Thus, as Section 6 indicates, the ambition of members of the class of 1933 that their diplomas might be granted by "The University of New Hampshire" is unrealized. However, President Hetzel assured a representative of THE NEW HAMPSHIRE that the expected action of the legislature will not be entirely without effect on the degrees to be received by members of the class graduating in June. He expressed the belief that the diplomas would bear a notation to the effect that the college granting "this degree" was by legislative act, to become a university, July 1, 1933. "So," he explained smiling, "the degree will be almost as good as that granted by a university."

## PROF. RUDD PLAYS FOR CHESS TITLE

Professor Herbert F. Rudd and William P. Nelson will try for the state championship in the finals of the annual chess tournament tomorrow night at Concord. The session is held in the capitol city each year and contestants from various parts of the state are entered.

There are three classes with four participants in each class. On Fast Day the preliminaries were played off. Professor Rudd won the second class and Mr. Nelson is in the lead in the first class. The winner of each class will try for the championship. In 1932, Mr. Sheridan of Nashua won the pennant. Mr. Nelson defeated him last Friday night.

The University of New Hampshire has been well represented in the last three years, two of the championships having been won by our own professors. In 1930, Professor Wells of the Mathematics department took the laurel. In 1931, Nelson won. Sheridan won in 1932 but has been defeated this year by Nelson. There is a possibility of the three contestants trying, in that event, there will have to be another session and the state championship will not be chosen for another week or so.

If the forest recruits destroy all the old chestnuts in New Hampshire, what is ye columnist expected to do, think up new ones?

If students ever wish to make their footprints in history, let me remind them that the first requisite is a little sand.

The suggestion that the professors of this University pool their brains seems to be just another way of telling them to go soak their heads.

Why students should look so worn and tired after a "nice restful weekend at home" is a mystery to us until we go home ourselves and have to help around the house in "spring cleaning."

The young co-ed we rebuked for taking herself so seriously came right back and asked us who else would if she didn't.

We often wondered why a certain prominent student always tried to get on the extreme left of every group picture he was in, but he confided that he had long ago learned that the caption beneath the picture read, "From left to right are—"

When the chaplain of Sing Sing told us that he did not know of one college man imprisoned in that institution, he neglected to say whether college men were too dumb to take up crime as a profession or too smart to get caught.

Another one along that line comes from a prominent Canadian who claims that the students who graduate in the middle third of their class are more successful than the other two thirds. They aren't bright enough to be professors, but are not dumb enough to have to work.

Hark ye to this Byronic poetry—She's hollow, she's fickle, She's not worth a nickle, There's nothing but space in her head. She necks and she pets With whom ever she gets, A typical New Hampshire co-ed.

Jots from the Hop: \$1.75 to get in, .25 for the coat parking, then they sold the refreshments. Abnormal number of corsages. New record—306½ spins in one encore, established by Hienz. Some of the faculty can really dance. Co-ed P'd hit a new low, in fact it was sold short. Very dry party, except for the music.

The dog problem on the Phi Mu Delta "lawn" has become acute.

Did you know that The Cabin is now sending out dinners?

There was a campus revival at the Hampton Beach Casino Saturday night.

There is now a nudist cult in Fairchild—did you see them Monday?

Somebody has spring fever and an extreme case of over-indulgence in English Lit.

APROPOS TO NOTHING (or First Ode to Spring) Shadows fall on splendor's walls, The stag at eve had drunk his fill, Prithree, why so pale and wan, fair lover? Alas, poor Yorick, I knew him well.

I remember, I remember the place where I was born, Oh, mouse thou art not alain, Is this a dagger I see before me? Boots, saddle, to horse, and away.

Was Willst du Haben? Au claire de la lune Au gusta hacerlo

(You fill it in.)

We appreciate the spirit with which these works of contemporary student thought are offered, and we only hope that in our next issue it will be possible for us to give to you further evidence of the high plane of intellectual thought that is being sustained on this, our campus.

Girls, have you had the new alibi sprung on you? Congreve had it pulled on them to the tune of several

broken dates—all in one afternoon and evening—here 'tis—"I'm going fishing."

Did you know that—"I slept through your exam" usually goes over? Some profs take attendance? That a college education is not necessary?

That there are only three places to park in the grandstand—both ends and the press box?

That love is the expectation of the teens, the hope of the early twenties, and the avolation of the sane. . . ? That all the artists are not in Greenwich village?

That women are dumb (co-eds included)? That we are living in a state of social unrest. . . ?

That we are living in a state of— That we are liv— That. . . (aw, hell)

And now—Something new and something novel. Try your luck. You may win the Freud Straight 8. Do you know your professors? Enter our first annual prof contest. . .

1. "Now men. . ."  
2. "Shall we set the stage. . ."  
3. "Close case, Close case."  
4. "When I was at Syracuse . . . Syracuse."

5. "Now in the case of Athlete's Heart."

6. "In other words . . . that is to say."

7. "Give me a minute. . ."

8. "Well, what do you know this morning?"

The Freud Straight 8 is now on display at the Continental Offices of C. J. Jung, 22 Rue Blondelle. Further information may be obtained from our campus representative.

Have you heard the new 3.2 song—"Just a little foam for the old soaks"?

On Tuesday, April 26, twenty geology students under the supervision of Professor T. R. Meyers, acting head of the geology department, took a trip to Concord, N. H., where they visited the brick yards, granite quarries, and historical buildings. Stops were made at various points along the way in order to enable the students to study formations and structures of the ground.

A two day trip was taken to Boston on Monday and Tuesday. Special study of the Boston basin was made by the class. Evidence of glaciation were noticed in Squantum Tillites and Roxbury Conglomerates. Stops were made at Marblehead, Quincy, and Harvard museum.

## Alumni Notes

M. Gale Eastman, '13, was elected president of the Durham Branch of the Alumni Association at a meeting held at the Theta Chi House on April 27. Other officers elected were Marjorie Page, '30, vice president, and Lillian B. Hudon, '26, secretary-treasurer. During the business meeting conducted by President Carl L. Martin, '25, it was voted that all alumni residing within a fifteen mile radius of Durham be invited to attend the meetings of the Durham Branch. Following the business session, an illustrated talk was given by Director of Athletics William H. Cowell. Refreshments were served before the meeting adjourned. There were thirty members and friends present.

The Worcester Branch plans to hold a meeting on May 10 in that city. It is expected that President Lewis will be present and speak to the alumni. Definite details have not been announced by Paul C. Farrar, '26, but it is expected that they will be published in this column next week.

ex-19—Mr. R. Revene is doing industrial engineering work as assistant superintendent of a candy plant where 60 tons of candy are manufactured in one day. Mr. Revene is married and has three children, two of whom speak French fluently. He lives at 2054 Coyle Street, Brooklyn, N. Y.

'26—Albert E. Pillsbury is teaching in the high school in Madison, Me. He was selected recently to serve as principal next year. Mr. Pillsbury is married and lives on Jewett Street, Skowhegan, Me. His wife teaches in the Skowhegan High School.

'26—A third son, David, was born to Mr. and Mrs. Argyle Proper (Florence Hall, '27) on February 22, 1933. Mr. and Mrs. Proper have two other sons, Stanton, age five, and Richard, age two.

'28—The engagement of Miss Germaine Beatrice Scully of Concord to C. Murray Sawyer was announced recently. Miss Scully is a graduate of the College of New Rochelle. Since graduating from Boston University Law School, Mr. Sawyer has been practicing law in Lebanon.

'32—Eileen Gadd became the bride of Kenneth Shute, '33, on November 18, 1932, according to an announcement made by the couple recently. Mr. and Mrs. Shute are now residing in Durham.

'33—Miss Verna R. Hall was married to Harold R. Garland in Portsmouth on April 29. Mrs. Garland is a graduate of Keene Normal School. They will reside in Newington.

# VARSIITY IN SEASON'S FIRST WIN OVER HUSKIES

## VARSIITY WINS AT BROWN BY TAKING RUNNING EVENTS

### FUNSTON TAKES BOTH HURDLES

#### Bruin Superiority in All Weight Events Balanced by Cleanup of N. H. Speedsters

Sweeping every running event, New Hampshire's varsity track team defeated an unexpectedly strong Brown team in the Palmer Stadium in Providence last Saturday, 73 to 62. The Bruins showed great power in the weight and field events, completely out-classing the Wildcats in that portion of the meet. "Tom" Gilbane of Brown, "Curt" Funston, Gordon Cunningham and "Ted" Darling of New Hampshire were double winners.

The first event of the afternoon was the 120 yard high hurdles. Funston and Levensaler of New Hampshire were the first two men to finish. The finish of the "hundred" was certainly something to write home about when Cunningham and Warren Pike of New Hampshire broke the tape in a blanket finish with Spinney of Brown. The judges awarded first place to Cunningham, second to Spinney and third to Pike. It was undoubtedly the best finish of the entire meet.

Warren Pike, running the quarter-mile for the second time since his freshman year, won the race in the fast time of 52 1-5 seconds. "Moose" Saliba got a third in the event—an excellent performance in view of the fact that only a week before he had been out for baseball.

"Tom" Gilbane of Brown furnished

### KITTENS DRUB

#### B. U. NINE 9-4

Freshmen Score Eight Runs in Big Fourth Inning Rally as Weir, Gaw Stop Visitors

New Hampshire's freshman baseball team won its third straight victory as it turned back a highly-touted Boston University freshman nine, 9-4, in a comedy of errors Monday afternoon. There were seventeen errors committed during the game, Boston making 10.

The Kittens made only ten hits, but they were interspersed with ten Boston errors to amass their win. Eight of the winning runs came in the fourth inning when they mingled six hits with a walk and three errors.

Weir, star left hander, was on the mound for the Kittens, and although wild at times was effective, allowing only two runs and four hits in seven innings. He struck out 13 Terrier batters in his seven inning walkout.

Gaw, who relieved him, was touched for two hits and two unearned runs in the ninth inning. Edward Currier, Kitten left fielder, was the star of the game as he cracked out three singles and a double on his first four appearances at the plate. The last time he laid down a sacrifice bunt. Van derstine and Higginson each made two hits for Boston.

## Sports Slants

by Jimmy Dunbar

Three straight for the freshmen. Lundholm seems to have developed a one inning ball team. To date, practically all of the scoring has been done in one big inning. As yet the big punch seems to be lacking except for the big inning. It seems to me that the Yankees also have those habits.

Shades of the English channel. Before Trainer "Bill" Marsh allowed the yearlings to take the field last Thursday for the Sanborn game, he swathed each member of the squad in a coat of grease. Bill was taking no chances with his precious stars.

Curt Funston continues to be the leading point gatherer of our track team. Following his three first places in the Northeastern meet, Funston came through with victories in both hurdles at Brown, and finished second to a teammate, Cunningham in the 220 yard dash. A total of twenty-eight points in two meets is his record to date.

Dave Webster turned in a fine performance at Andover last Saturday. After winning the half mile in a brilliant finish, he ran a great mile to lead his teammates to a clean up in that event.

Ed Currier looks like the Babe Ruth of the Kittens' ball nine. Four out of four in the Boston University game is an indication of real hitting. His average for three games is in the vicinity of .850. Not bad for a freshman.

Walker certainly provided a lot of thunder at the Brown game on Saturday. Stealing home is a feat which few college men ever accomplish. His long double was the best hit of the game, and his base running was nothing short of spectacular. He continued the good work in the Huskie game on Tuesday by getting two hits and scoring three runs.

Brown reports have it that "Ted" Darling came very near to breaking the track record in the mile run. The sophomore speedster also won the half mile in good time. We can expect some fine performances from him in the future.

That Brown game Saturday was a heart breaker for Targonski to lose. The blonde twirler turned in a fine day's work, and deserved a better fate. With a little hitting behind him, he would have attained an easy win.

The finish of the lacrosse game against M. I. T. was quite interesting to those who came up from the baseball game in time to see Tech score three goals, only to have the Wildcats duplicate the feat in the last few minutes.

Other stars at Brown were Cunningham, who nosed out Pike of New Hampshire and Spinney of Brown in a blanket finish in the century, and Gilbane of Brown, who copped both the shot and hammer. Three Brown men tied for first in the pole vault, all clearing twelve feet.

Bill Weir nearly ruined the B. U. pitcher Monday when he conked him on the back of the head with a fast one. The victim dropped unconscious, but soon recovered and continued in the game.

Race track reports. The last tips on the Derby, which is to be run on Saturday, indicate that your selection should be Ladysman. That eminent New Hampshire jockey, Dow, announces that Charley O will undoubtedly finish second, while he predicts that Mr. Khayyam will place. Take your pick! I prefer mine straight.

Intramurals begin this week. Baseball will be the first event to be run off, and we expect those exponents of fraternity spirit to insist on attendance in a body at all early morning games. Personally we are rather glad that our activities will be held later in the day. Better drop around, if you think the varsity is good.

All indications are that the intramural track meet will be held on May 15 and 16. All men who were eligible for the original meet will be allowed to compete on those dates. Varsity and frosh track men will probably be allowed to run.

We are expecting an interesting week-end with the intercollegistics on deck. May the schoolboys enjoy our Dining Hall, and also our track.

### SHAVE SAFETY

Edward Everett Horton holds an M.S. degree from the West's greatest barber college.

Horton enrolled, attended class, and was graduated all within an hour and a half. As an added honor, he was named valedictorian and president of the alumni association. As such, he gets free shampoos for a year, with a lemon rinse on alternate Thursdays.

Horton took the course of training in preparation for his part as Maurice Chevalier's valet in "A Bedtime Story," which comes to the Dover Strand Theatre Sunday and Monday. One sequence of the picture required Horton to shave Chevalier with a real razor. The course of study toward the M.S. (Master of Shaving) was financed—and insisted upon—by the French star.

## WILDCAT NINE OPENS SEASON WITH 3-2 LOSS

Targonski in Fine Hurling Performance but N. H. Club Lacks Punch in Wind-up

### MOODY FLASHES AS WILDCAT RECEIVER

Freddy Walker Stars in Smart Exhibition of Base Running

Despite a fine pitching performance by Targonski, the University of New Hampshire varsity baseball team lost a close game to Brown on Saturday at Brackett field by the score of 3-2.

Two errors in the ninth inning enabled the visiting Bruins to score a run without a hit, and gave them the ball game. Sullivan, Brown pitcher, reached on an error by Graffam, went to second on a sacrifice by Henshaw, and scored when Moody threw wild to third in an attempt to cut him down stealing.

The Wildcats made but four hits off the delivery of Sullivan, while Brown made the same number off Targonski. New Hampshire had men in scoring position several times during the game, but lacked the punch to score them. Only one hit figured in the Brown scoring, errors and bases on balls, giving them two of their runs.

Walker, Wildcat shortstop, was the individual star of the game. He delivered the longest hit of the game, a hard double to deep right center, and also scored two runs. His base running was the feature of the afternoon. In the second inning he went all the way from first to third on a sacrifice by Graffam, and then stole home to tie the score. Later he stole third, scoring a moment later on a hit by Grocott.

Fielding features were contributed by Grocott, who went over in back of second to pick up a hard grounder by Monroe, and then got his man by a snap throw, and Stylianos, who made a perfect throw to Walker to cut down Henshaw, who was trying to stretch a single into a two-bagger.

Brown scored first in the second inning. Targonski walked Tracy and Caito to begin the inning. Gilmartin sacrificed, Moody to Grocott, both runners advancing. Fowler hit a slow roller to Graffam, who scooped the ball uphand threw to the plate, too late to get the runner. A smart play by Grocott prevented another run here. Burt was hit in the back by a pitched ball, and immediately attempted to steal second. Grocott intercepted Moody's throw and relayed to Graffam, just nipping Caito off the bag. Graffam then threw out Sullivan to end the inning.

New Hampshire got this run back in their half. Walker got a life when a noor throw by Burt threw Gilmartin off the bag. He went to second on Graffam's sacrifice, and went to third as Gilmartin held the ball too long. After Stylianos fanned, Walker started with Sullivan's windup and slid across the plate with the first run of the season for the Wildcats.

Brown gained a temporary lead in the fourth. Gilmartin opened the inning by working Targonski for a pass. Fowler hit back to the pitcher, but Targonski threw wild to second, both men reaching safely. Targonski then handled two grounders for force plays at third, but Henshaw singled to center, scoring Burt with the run.

The Wildcats again tied the score in the last half of the inning. Walker opened with a long double to right. Both Graffam and Stylianos grounded (Continued on Page 4)

## SCORE OF 11-3 AS NINE GETS FIRST VICTORY

McGraw Stars Allowing But Two Hits as Gallagher Is Driven from Box in Sixth Inning

### WILDCATS OPEN UP IN THIRD INNING

Jachym Led Huskie Attack While Walker, Toll and Hanna Star

Bunching their nine hits with several passes by the opposing pitchers, the University of New Hampshire's varsity nine won its first game of the season from Northeastern at Brackett Field on Tuesday, by a score of 11-3.

The Wildcats drove Gallagher, Huskie mound ace, from the box, scoring ten runs off him in the six innings in which he worked. They scored three in the second, three in the third, two in the fourth, two in the sixth and one in the eighth. All of the Huskie scoring came in the first three innings.

White started on the mound for the Wildcats, but was hit rather freely. His liberality with passes continually placed him in danger, and he was replaced by McGraw. Johnnie was in rare form, allowing only two hits in the five and two-thirds innings in which he worked.

An error by Graffam, a force play, a single by Gallagher and a double steal resulted in the first score of the game for Northeastern. They got two more in the third when the Wildcats contributed an error, which combined with a pair of hits, and a walk enabled them to tie the score.

The Wildcats took the lead in third inning with a three run spurge. Scanlon was robbed of a double by a beautiful running catch by Bedell. Graffam was passed, and took second on a passed ball. Ellsworth got a scratchy hit when Gallagher allowed his pop fly to drop near the mound. Moody drew a pass, filling the bases. Pitcher White then delivered a tremendous smash to deep right center which went for three bases, and drove over three runs.

Toll opened the third with a hit to left. He was forced by Walker, then Scanlon dumped a single to right. Graffam lined out to second, but Ellsworth and Moody were both passed, and a wild pitch let them both score. They sewed up the game with two more in the fourth. The last run came in when Walker drove a long double to left, went to third on an infield out, and came in on a perfect squeeze play, with Koehler on the business end.

Gallagher, highly touted star, was wild and ineffective, and could do little with the hard hitting Wildcats. They got to him in every inning, and but for a little hard luck would have scored more runs than they did. On the other hand, McGraw was as steady as a mid-season performer, despite the fact that it was his first work-out of the season.

Walker, with a single and a double, and Toll and Hanna, each with two singles, were the leading sticklers for the Wildcats, while Jachym, with two hard doubles and a single led the impotent Huskie attack.

### University Observes Tenth Anniversary Today

(Continued from Page 1)

sity are voiced by Brad McIntyre, proprietor of the local dry goods store and a graduate of the University. He says, "There is no doubt but what the prestige of the institution has increased as a result of the transition, and the business of the citizens has increased accordingly. The greater sales of goods in Durham has reflected the larger enrollment of the University."

The material gains which are evident on campus are only overshadowed by the scholastic achievements and improved standing and personnel of the University. Sufficient demonstration of New Hampshire's standing among universities of the country is in the number of national, professional, and honorary fraternities which have chapters here.

Charles Wentworth, prominent local business man and political leader sums up the situation by the subsequent statement, "I think that the growth of the University has been steady and increasing since the changing of the old college's names. The improvement may be due in part to the higher requirements for admission and the better scholastic standing."

### Co-eds Slashed by Fickle Frosh

If the average editorial written in Freshman English class is a criterion of the channels in which the mind of the freshman runs, it is quite apparent that there is a communistic strain in some of our students.

Can you imagine anyone finding fault with the food served at the Commons? Can you imagine anyone kicking because of unfair grades or objecting to Physical Education? If you can't, ask any freshman English professor to show you the editorials from his class and you will become greatly enlightened as to the profound prejudices of the fickle freshman.

One student wrote upon the practice of throwing snowballs into open windows. Another wrote upon vic parties in an attempt to show how ridiculous it is to end them at ten o'clock. There were quite a few editorials written against co-education and two students made some vague reference to co-ed gold diggers. The necessity of a modern gymnasium was brought out and one student complained of the side-walks. There was fault to be found with the indifference to the Student Council. Many objected to Hell Week although there were no criticisms of fraternities. Convocation proved to be quite popular with the average freshman in spite of his tendency to cut.

## Society News

by Gladys Clement and Robertson Page

### Cap and Gown

Initiation will be held at the home of Mrs. Buschmeyer, advisor of Cap and Gown, on Thursday evening, May 4, at 7:30.

The members of the Junior Class who have been outstanding enough to be elected to Cap and Gown, Women's Honorary Senior Society, are the following: Conradene Bowen, Mary Carswell, Priscilla Glazier, Phebe Graham, Helen Henry, Marjorie Horton, Ruth H. Johnson, Lillian Mathieu, Margery Phillips, Margaret Russell, Natalie Sargeant, Carolyn Smith, and Olive Thayer.

### Book and Scroll

Book and Scroll met at the Chi Omega house last Thursday evening, April 27. Committees were selected to look up the candidates for next year. Mr. McGrail entertained by giving an account of his trip to England.

### A. A. U. W.

Annual reports given at the A. A. U. W. meeting held Thursday evening in the Commons Organization rooms included reports from the secretary, treasurer, vice-president, fellowships chairmen, education committee, program chairman, international relations chairman, publicity chairman, and the president. The resume of the year's work gave a most satisfactory portrayal of the varied interests of the organization and the worthwhile work carried on. Officers for the coming year were elected, as follows: President, Mrs. Helen McLaughlin; Secretary, Mrs. Edythe Richardson; Treasurer, Miss Margaret Hoban; Member at large, Miss Dorothy Small.

Miss Margaret Ballard of Portsmouth gave a comprehensive survey of political and industrial conditions in the major countries of the world, emphasizing the situation in the United States. Her talk was timely and illuminating, and was followed by general discussion.

On May 11, the A. A. U. W., with the cooperation of Cap and Gown, is giving a tea for the senior women. On May 12, the art group of the A. A. U. W. went to Rochester to meet with Mrs. Richardson. Miss Blair, Mrs. Ekdahl, and Miss Cowles were the speakers.

### Delta Chi

A meeting of Delta Chi was held Thursday, April 27, at 7:30, in Murkland Hall. Following an important business meeting, Dr. Slobin gave a talk on "What is Utility?" Thomas Cheetham also spoke on "The Arithmetic of the Egyptians."

A short social time followed during which refreshments were served.

### Education Department

The following people are practicing teaching this term: Fred Clarke, English, French, Sociology, at Portsmouth; Margaret Cram, First Grade at Haverhill, Mass.; Arthur Demos, English, at Dover; Amy Esersky, History, at Claremont; Hazel Hounsell, English, at Warner; George Hurley, English, at Somerville, Mass.; Dorothy Kessler, English, at Nashua; Bessie Leach, French, at Pinkerton; Doris Levalley, French, at Dover; Lawrence McGowan, Mathematics, Science, at Newmarket; Bartlett McKinney, Mathematics, at Henniker; Gordon Perfect, Mathematics, Physics, at Exeter; Warren Pike, Mathematics, Chemistry, Physics, at Pinkerton; Chester Sewell, Geometry, Biology, at Dover; Dorothy Williams, Latin, at Dover; Edna Young, English, French, at Milton; Hammond Young, History, at Concord.

The society voted to hold the annual banquet at the Highland House on June 5. The committee on arrangements for the banquet are: Barbara Rowell, Beatrice Nutter, and Gordon Thayer.

Theses were read and defended by the initiates, the subjects of which were, "The Work of the Supervisor of Vocational Education" by Mr. Bingham, and "Making the Schoolyard Beautiful" by Mr. Boyd.

### Psi Lambda

A meeting of Psi Lambda was held at the Practice house last Wednesday evening, April 26. A new constitution was discussed and drawn up. The society also decided how to choose the girl who will win the cup for greatest improvement shown at college to be given by Psi Lambda at senior convocation. She is to be chosen by the Home Economics faculty together with two juniors and one sophomore of Psi Lambda appointed by the Psi Lambda president.

### Home Economics

Mrs. Richardson of the Zoology Department was entertained at the practice house for dinner, April 27.

Miss Bowen with the aid of others in the Home Economics department is busy preparing the costumes for the May Pageant. Committees of girls who have volunteered are constructing the costumes for the dancers.

### Durham Woman's Club

On Tuesday, May 9, at the Old Library Building on Main street, there will be held an Opportunity Sale under the auspices of the Civics Committee of the Woman's Club. There is a great demand at this time for garments and various articles no longer of use to us. In this way it allows the many visitors to these sales the opportunity of a little choice in

return for very small payment, rather than having things given them, and at the same time increases considerably the funds to carry on the good work of this committee.

The rooms will be open for receiving articles on Monday, May 8, from 1:30 to 3:00 P. M.

Articles may be left with a member of the committee in your neighborhood or will be collected on Monday by calling a member of the committee.

The rooms will be open for selling on Tuesday, May 9, from 9:00 to 2:00. The Sales committee is as follows: Mrs. W. C. O'Kane, Mrs. T. W. Schoonmaker, Miss Ivy Belle Chesley, Mrs. J. Guy Smart.

Articles may be left with the above named or with Mrs. E. P. Robinson, Mrs. Charles Smart, Mrs. E. L. Getchell, Mrs. F. W. Taylor, Mrs. F. P. Morrison.

The Music Department of the Woman's Club will meet at the home of Mrs. Leston Eldredge on May 10. The paper of the evening will be given by Mr. V. L. Tewksbury, the subject of which is "English Folk Songs," with illustrations.

### Alpha Chi Omega

Guests at the chapter house over the week-end were: Natalie Ames, Polly Nearborn, Edith Poore, Arline Kelley, and Florence Connor.

Dean Woodruff was guest of honor at a May Breakfast held at the chapter house Monday.

Mrs. Van Anken, National President of the sorority, is spending several days with the chapter.

### Kappa Delta

Miss Madeline Richardson, '32, was a guest at the chapter house on Thursday last week.

Mrs. Lewis Bryant has accepted the invitation of Alpha Sigma to become one of its patronesses.

Alpha Sigma chapter of Kappa Delta takes pleasure in announcing the pledging of Miriam Taylor, '36, of Hinsdale, N. H.

### Phi Mu

Louise Haskell of Boston was a week-end visitor at the chapter house. Marjorie Smith, an alumna of Newfields, N. H., was a visitor on Friday. Misses Hoban and Ladd were dinner guests on Thursday, April 27.

On Sunday, May 7, Beta Gamma will open its chapter house to serve a May Breakfast from 8:30 to 10:30. Everyone is invited.

### Theta Upsilon

Miss Patten was a dinner guest on Wednesday, May 3. Dorothy Pratt, '32, was a week-end guest of Theta Upsilon.

### Alpha Tau Omega

Freddy Gardiner, '32, now an insurance agent in the vicinity of greater Boston, was a recent visitor at the chapter house. Jule Teague, '32, was a week-end visitor. Teague is at present in the leather business.

### Delta Epsilon Pi

Doctor Iddles was a dinner guest on April 19. Dean Alexander was a

dinner guest on Wednesday, April 26. Mr. Ralph Ashton and Mr. Gerard Gray were week-end visitors.

A victrola party will be held on Friday, May 5.

### Kappa Sigma

James "Red" Hayes was a week-end visitor. Leigh Jaques visited the chapter house on Sunday.

### Lambda Chi Alpha

Professor Paul Schoedinger, Jack Sweetser, and Wilbur Smith were dinner guests during the last week. Alumni returning this week-end were Russ Sears, '27, Gordon Seavy, '28, now a real estate salesman in Lexington, Mass., Ralph Moore, '29, and G. D. Melville, '30. Incidentally, Mr. Melville won the 440 yard dash from Holy Cross at Durham on May 15, 1930. Time: 52 1-5 seconds.

Mr. Ralph W. Guibord and Mr. Warren R. Guibord of Melrose, Mass., visited the house Sunday. Graham Ong, Dartmouth, '34, was a week-end guest.

Mrs. Bertha Bartlett, the new Alpha Xi Delta house mother, was a dinner guest on Sunday.

Lambda Chi officially announces that it has a zoo. The occupants are as follows: 10 garter snakes, 2 skunks, and a rabbit. The fraternity wishes to make a statement to the effect that the skunks have been operated upon and are guaranteed to be odorless. The cages have been made by Phil Shannon who has been employed by the Benson Animal Farm for two summers. Plans have been made to augment the zoo and visitors are welcome at any time.

### Phi Mu Delta

Mr. and Mrs. Harry O. Page were dinner guests on last Wednesday evening.

Mr. and Mrs. I. W. Gleason and family of Buenos Aires, Argentina, visited the chapter house during the afternoon of April 26. Mrs. Gleason is the daughter of Mrs. Marion Henderson, the house mother.

Louis Clamer, '31, of Concord, called at the fraternity house on his way to New York.

Mrs. F. W. Hayward, the house mother of Alpha Chi Omega, was a recent dinner guest.

Mrs. Henderson attended the funeral of Mrs. Mary Larrabee in Nashua with the other house mothers.

Work around the house has been going on in great shape and a lawn is soon to make its appearance. The grading is practically finished and already a few evergreens have been planted.

Visitors over the week-end were: Mrs. O. R. Tarr of Everett, Mass.; Mr. and Mrs. Blaine and family of Manchester; and Frederic E. Shaw, ex-'35, of Nashua.

### Tau Kappa Epsilon

The following alumni were week-end visitors: Malcolm Jones, '31, Horace Robinson, '31, Frederick Austin, '31, of Manchester, Herbert Googins, '31, of Portsmouth, who has recently returned from Florida, where he spent the winter months, Gordon

Tolman, '32, who is doing graduate work at Harvard, and Preston Rolphe, '32, who has spent several weeks in Washington, D. C., and was in the capital city during the inaugural exercises of March 4.

Edward Tuttle attended a Y. M. C. A. conference in Boston last week-end in pursuance of his duties as president of the local Y. M. C. A.

### Theta Chi

Mr. and Mrs. Loring Tirrell and Mr. and Mrs. Harold Ham and daughter were dinner guests Sunday.

Charles Hanna, '32, Robert Morrison, '32, and Frederick Sargent, '28, were visitors over the week-end.

Gerald Whitehouse and Fred Bileadeau, Berlin, were dinner guests at the house Tuesday evening.

### Theta Kappa Phi

Brother Carlo Lanzilli is now broadcasting regularly with the "Round Towners" over station WHEB, Portsmouth.

Bradley White and Raymond Belsile were guests of the chapter house over the week-end.

Brother Warren Peckham spent four days in Boston last week, visiting several chemical plants.

Brothers Haggerty, '32, and Charon, '31, were guests on Fast Day.

We wish to announce the initiation of the following pledges: Charles Marlak, Binghamton, N. Y.; Austin MacCaffrey, Lincoln, N. H.; Francis Ahern, Manchester, N. H.; James Trachier, Hanover, N. H.

### Theta Upsilon Omega

Theta Upsilon Omega celebrated the founding of the National Fraternity, Saturday, April 29, and entertained forty-three alumni. Eight men, including the active men of the chapter, attended the banquet Saturday evening. The speakers of the evening were: Brother Professor Johnson, Walter S. Jenkins, Bradford McIntire, Elroy Clark, Franklin Green, and several of the attending alumni. Brother Courtney Williams, present master, acted as toastmaster.

Sunday morning a baseball game was held between the active members and the alumni.

### MRS. MARY NELSON LARRABEE

Funeral services for Mrs. Mary Nelson Larrabee of Nashua, N. H., were held in Nashua, N. H., Thursday, April 27. Mrs. Larrabee who died April 26 at the Beth Israel Hospital in Boston, Mass., is survived by three children and three grandchildren.

Mrs. Larrabee was house-mother at the Alpha Xi Delta house during the first two terms of this year, and she became a true friend to all of the girls in the short time that they knew her.

## Christian Work

A deputation from the University of New Hampshire Student Program bureau was sent to Henniker, N. H., last Sunday evening. At the Young People's meeting, Thelma Hare led the singing of negro spirituals. Marie Young spoke on "How I Know What is Right or Wrong." Following this talk Dr. G. R. Johnson led the group in discussion. In the Church service Thelma Hare, Maurice Kidder, and Isobel Alden spoke on "A Student's View of the Mess We're In."

Dr. Joshi of Dartmouth College spoke before a student group in Commons organization room last Tuesday evening.

Misses Elizabeth Muther and A. Sunther of Wellesley College will be the guests of the Christian Work organization on next Sunday. They will speak at a tea in the Commons organization room at 4 P. M., and also at the social hour at 6:30 at the Community Church. Miss Sunther, who will lecture on Germany, is an exchange student from Germany to Wellesley. Miss Muther is interested in social and economic problems. She assisted with picketing in the recent Peabody strike. All students are cordially invited to both the tea and the social hour to meet these visitors.

Bishop John T. Dallas will be the preacher at the Community Church next Sunday morning at 10:30.

The Community Church student group will cooperate with Durham Community church, First Congregational church of Dover, Methodist church of Somersworth, and the church of Barrington in a next Sunday evening, 7:30, at the Community church of Durham. Three students of the University will speak.

### Interscholastic Track Meet to be Held Here

(Continued from Page 1)

Medals are awarded to winners of the first four places in each event: gold for first, silver for second, bronze for third, and gun metal for fourth. A silver cup is also given in each class for the team winning the greatest number of points in each class. The cup awarded to the winner of the greatest number of points in its class becomes the temporary property of that school for one year, and the permanent property of the school winning it three times. Gold medals will be awarded to each member of the winning relay team in each class.

Last year's winners were Manchester (Central), Tilton school, South Portland High, and Huntington school. Of these teams, two seem likely to repeat: Manchester (Central) and Tilton. In the out-state preparatory school class St. John's seems most likely to win.

The complete list of teams entered in the meet is as follows: in-state high schools, Portsmouth high, Austin-Cate academy, Raymond high, Pittsfield high, Newmarket high, Nashua high, Manchester (West) high, Keene high, Laconia high, Manchester (Central) high, Hanover high, Franklin high, Dover high, and Concord high.

In-state preparatory schools: Tilton school, Clark school, and New Hampton school.

Out-state high schools: Thornton academy, Brattleboro high, Brunswick high, Deering high, of Portland, Haverhill high, Johnson high, of North Attleboro, Methuen high, Memorial high, of Middleboro, Milton high, Newburyport high, Oxford high, Portland high, Quincy high, Wellesley high, Weymouth high, Worcester (South) high, and Worcester (North) high.

Out-state preparatory schools: New Preparatory school, St. John's Preparatory, Montpelier Seminary, Maine Central Institute, Huntington school, Hebron academy, Governor Dummer academy, Colburn Classical Institute, Brown-Nichols, and Bridgton academy.

# Something to Say

— not just saying something

A friend of CHESTERFIELD writes us of a salesman who had "something to say":

"I dropped into a little tobacco shop, and when I asked for a pack of Chesterfields the man smiled and told me I was the seventh customer without a break to ask for Chesterfields. 'Smoker after smoker,' he said, 'tells me that Chesterfields click . . . I sell five times as many Chesterfields as I did a while back.'"

Yes, there's something to say about Chesterfields and it takes just six words to say it—"They're mild and yet they satisfy."

they Satisfy

Wherever you buy Chesterfields, you get them just as fresh as if you came by our factory door
